CAREER OBJECTIVE

Video editor with 2 years of experience producing short-form and long-form content for digital marketing agencies. Strong reporting habits and leadership in coordinating small production teams, with a customer-focused approach to meeting client briefs. Seeking a Video Editor role to contribute creative and technical editing skills.

WORK EXPERIENCE

Video Editor 07/2023 - Present
Haiphong Digital Agency

- Edited over 150 short-form videos for social media campaigns across 8 client accounts using Premiere Pro and After Effects.
- Led a small team of 2 junior editors on high-volume projects, reviewing outputs before client delivery.
- Reported weekly production status and turnaround metrics to the account management team.
- Worked directly with clients to understand brief requirements and incorporate feedback efficiently.

Junior Video Editor (Internship) 01/2023 - 06/2023
Coastal Media House

- Assisted with editing raw footage and basic color correction.
- Organized media assets and project files for the editing team.
